

# Model #: HT706TV

7 outlet, 6 ft. corded strip, 1500 joules, coaxial protection - Home/Business Theater Suppressor

# **Highlights**

- 7 outlets / 6 ft. cord
- 1500 joule rating
- · Coaxial surge protection
- \$50,000 Ultimate Lifetime Insurance (USA, Puerto Rico and Canada only)

# **Description**

Tripp Lite's HT706TV Home/Business Theater Surge Suppressor provides high-performance protection (1500 joules) stopping damaging surges and filtering disruptive line noise so components perform at their peak! You can see and hear the difference: sharper, crisper video; deeper, fuller audio and longer component life spans. Perfect for small home/business theater installations: high-definition TVs, satellite and A/V receivers, DVD/CD players and more. 7 outlets (with transformer spacing) and 1-line coaxial protection safeguard an entire home/business theater system. \$50,000 Ultimat Ultimate Lifetime Insurancecoverage (USA, Puerto Rico & Canada only). Includes two diagnostic LEDs, 6 ft. cord with a right-angle plug and 6 ft. coaxial cable.

#### Applications

• Perfect for small home/business theater installations: high-definition TVs, satellite and A/V receivers, DVD/CD players and more

#### Package Includes

- HT706TV Home/Business Theater Surge Suppressor
- 6 ft. coaxial cable
- Instruction manual with warranty information

### **Features**

- 1500 joules surge suppression rating with EMI/RFI line noise filtering help components perform at their peak (sharper, crisper video; deeper, fuller audio and longer component life spans)
- \$50,000 Ultimate Lifetime Insurance (USA, Puerto Rico & Canada only) covers connected components against surge damage...for life!
- $\bullet$  7 surge-protected NEMA 5-15R AC outlets safeguard an entire home/business theater system
- Widely-spaced outlets accommodate up to 4 transformers
- 1 set of Type F surge-protected coaxial connectors (with included 6 ft. coaxial cable) safeguard components on cable, satellite or antenna line
- 6 ft. cord with right-angle NEMA 5-15P plug provides convenient location anywhere within a home/business theater system
- 2 diagnostic LEDs alert user to protection and grounding status
- Keyhole slots provide convenient wall or cabinet mounting
- Illuminated master switch provides one-touch power control over all components. Integrated circuit breaker protects against dangerous system overload
- High-impact plastic housing (black) stands up to the most demanding environments

- UL and CSA listed
- Lifetime product warranty
