

CYPRESS LIGHTING SOLUTION: CY3269N LIGHTING STARTER DEMONSTRATION KIT

CAPSENSE™ TOUCH SENSING CONTROL.

The Cypress CY3269N Lighting Starter Demo kit combines Cypress' EZ-Color™ HB LED controller and CapSense™ Touch Sensing technology to illustrate how an intuitive GUI lets a user select any color—a warm, neutral, or color white light of variable color temperature—just by placing a finger within the triangle on the touchpad.
