Coax 3-Way Tool

Part number: 1928

Description

The Paladin Coax 3-Way Tool flares shield braid, attaches "F" connectors for connector insertion, and easily tightens and loosens cable TV "F" connectors.

Features

- Flares the braid to make cable insertion onto the connector easier
- Threaded insertion tool enables you to comfortably hold the connector to insert cable fully into connector
- Chrome finish extraction tool makes it easier to access cable TV "F" jacks and ports; especially in tight density panels
- Saves time on cable TV and satellite installations

Type

RG6, RG6 Quad
