

## **Z Series Radial Al Lytic Capacitor PRODUCT NEWS**

DATE : June 10, 1999

Bulletin # : ECG.PG44.990610

**SUBJECT : DISCONTINUED PRODUCT NOTIFICATION  
ECE-AxxZ Leaded Aluminum Electrolytic Capacitor**

---

The ECE-AxxZ series (Z Series) Radial Leaded Aluminum Electrolytic Capacitor Series will be **DISCONTINUED EFFECTIVE:**

**Last Time Buy will be December 31, 1999**

**Last Time Shipment will be March 31, 2000**

This includes all the Z series as follows;

**ECE-AxxZ          Aluminum Lytic Radial Z Series**

### **SUGGESTED REPLACEMENT**

There will be no direct replacement available for this product series.

Radial Aluminum Electrolytic Capacitors are recommended to replace this series. Please note that this will require printed circuit board designs to be changed since the lead spacing or footprint is different. Also circuit designs may need to be changed due to different electrical property specifications such as ripple current, dissipation factor, impedance etc. Please contact your local sales office or Factory Resident Engineer to discuss suitable replacement parts

Please notify your present customers of this change.
