

SUBJECT: Discontinuation of Multi-Layer Ceramic Chip Capacitors (MLCC)

BULLETIN #: PDN PG33081409-1

Date: August 14, 2009

Effective Date: August 14, 2009  
Last Time Buy: December 24, 2009  
Last Time Shipment: September 30, 2010

Suggested Replacement: Murata equivalent products

As a result of dramatic market changes and the global financial climate, Panasonic is refocusing on core competencies and has elected to exit the MLCC business.

Discontinued products are not recommended for new design.

**Affected products:**

All Multilayer Ceramic Chip Capacitors (MLCC) and MLCC Arrays.

**Part Number Prefix:**

ECJ\*\*\*  
ECD\*\*\*  
ECY\*\*\*  
ECU\*\*\*
