## DESCO TECHNICAL BULLETIN TB-3012

# Application Instructions Reztore™ ESD Hand Lotion

Figure 1. Reztore<sup>™</sup> ESD Hand Lotion, Item No. 81080, ready-to-use 8 oz. bottle; Item No. 81082, 1 quart pump; Item No. 81081, 1 gallon pump

### Description

Desco Reztore<sup>™</sup> ESD Hand Lotion, item 81080/81081/ 81082 is specially formulated for use in the electronic manufacturing environment. The moisturizing hand lotion can be used to enhance the effectiveness of ESD control wrist straps, particularly for individuals with dry skin. It will absorb immediately into the skin without interfering with grip or dexterity. The lotion is free of chemicals that may adversely affect solderability or cause corrosion of electronic components. Reztore<sup>™</sup> ESD Hand Lotion is available in 8 oz. plastic bottles (sold in cartons of twelve bottles), one quart bottles with pumps, or in one gallon bottles with pumps.

## **General Guidelines**

Reztore<sup>™</sup> antistatic hand lotion can be applied to hands and wrists to increase the conductivity of the skin and reduce skin dryness. It is not recommended for application to the face. The lotion is chemically and biologically stable and is free of soaps, glycerin, lanolin, free-salts, silicone and mineral oil. Avoid contact with eyes. If eye contact occurs wash with water.

## Directions

Apply a small amount of Reztore<sup>™</sup> ESD Hand Lotion onto the palm of the hand. Using your hands, rub the lotion into skin areas which are either dry or where increased conductivity is desired, especially on the wrists where the wrist strap will be in direct contact. Gently rub the lotion into the skin until it is absorbed. Remove the excess lotion with a towel.

#### Specifications

	-
Viscosity:	6000 Brookfield 20 Speed Spindle #4
Color:	White
Odor:	Pleasant
pH:	7.5 ± .5
Contaminants:	No soap, lanolin, free-salts, silicones, or mineral oil
% Solids:	10 ± 2%
Package:	8 oz. plastic squeeze bottles, one quart bottles with pumps, or one gallon bottles with pumps
Freeze:	Passes three freeze-thaw cycles

#### **Features - Benefits**

- Moisturizing formula improves wrist strap contact with skin and relieves chapping and insulating dry skin
- Free of contaminants so that nothing is transferred to the work
- · Non-acidic to prevent corrosion of electronic components
- Contains aloe vera, moisturizers, and vitamins to promote healing and help achieve healthier hands and mails
- No lanolin, silicone, mineral oil, or insulators that will contaminate electronic components

**NOTE:** Reztore<sup>™</sup> ESD Hand Lotion does not have a set life span. The chemicals are not known to degrade over time when stored at the proper temperature conditions as stated in the Material Safety Data Sheet. We also recommend that this product be stored in its original container and be sealed when not in use.

#### **Limited Warranty**

Desco expressly warrants that for a period of one (1) year from the date of purchase, Desco Reztore<sup>™</sup> ESD Hand Lotion will be free of defects in material (parts). Within the warranty period, the material will be tested, repaired or replaced at Desco's option, free of charge. Call our Customer Service Department at 909-627-8178 (Chino, CA) or 781-821-8370 (Canton, MA) for a Return Material Authorization (RMA) and proper shipping instructions and address. You should include a copy of your original packing slip, invoice, or other proof of purchase date. Any unit under warranty should be shipped prepaid to the Desco factory. Warrenty replacements will take approximately two weeks.

#### Warranty Exclusions

THE FOREGOING EXPRESS WARRANTY IS MADE IN LIEU OF ALL OTHER PRODUCT WARRANTIES, EXPRESSED AND IMPLIED, INCLUDING MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE WHICH ARE SPECIFICALLY DISCLAIMED. The express warranty will not apply to defects or damage due to accidents, neglect, misuse, alterations, operator error, or failure to properly maintain, clean or repair products.

#### Limit of Liability

In no event will Desco or any seller be responsible or liable for any inury, loss or damage, direct or consequential, arising out of the use of or the inability to use the product. Before using, users shall determine the suitability of the product for their intended use, and users assume all risk and liability whatsoever in connection therewith.
