1. Purpose

The purpose of this notification is to announce the end of production of non ROHS product and low or no volume items within the RTE series.

2. Discontinuation details

2.1 P/N affected

P/N affected are described inside the annex.

Possible replacement by corresponding RoHS compliant products when indicated.

2.2 Reason for discontinuation

The manufacturing and supply of non RoHS lead to integrate lead inside manufacturing which is not possible anymore due to low volume of product involved.

General regulations lead to use RoHS compliant products only

For low or zero volume items, the reason is stopping some dedicated tooling.

3. Replacement

In most cases, replacement by existing RoHS compliant product is offered. Please refer to annex to further details.

4. Application

4.1 Overview

The application will be done according to the last time buy schedule given.

4.2 Date of application & time frame

- Last time buy: July 17th 2009
- Last delivery: according standard lead-time.

4.3 Customer qualification

We ensure, in case of replacement by a RoHS compliant alternative the same level of performances.

Please ask at your sales representative the product specification in any case.

Samples are available upon request.

5. Acknowledgement

We kindly asking you to acknowledge this information to your C&K sales representative

Annex : affected products
