Annex 1: P/N affected by the change.....	5

1. Purpose

Following the discontinuation notice received by our supplier concerning the plastic raw material used for KT11 over-molded lead frame, C&K components has to change this plastic grade. The choice of the new plastic grade is the closest as possible in terms of features & properties as the current one.

Moreover, we will apply a new color, black, to manage this change.

2. Application

2.1 Overview

- Over-molded lead frame plastic grade change.
- Color change from natural to black.
- Other features, characteristics, specification, manufacturing footprint remain unchanged.

2.2 Product range affected

- KT11

You will find in the annex 1 the complete P/N list.

2.3 Date of application

- Deliveries from March 1st 2008.

Important note: as discontinuation is due to supplier material end of life, no delay on the application date can be offered.

According to the plastic raw material, semi finished and finished product stock amount at the application date, deliveries with the current raw material could be done after the application date up to stock end.

2.4 Ordering, pricing and stock handling policy

- Ordering: P/N codes remain unchanged.
- Pricing: any pricing remain valid.
- Stock handling: no obsolescence is applied on any P/N. No return or scrap for obsolescence will be accepted.

3. Acknowledgement

We recommend acknowledging this PCN, no later than Oct 15st 2007 at the following email address: kt11.material@coactive-tech.com

4. Support

For any question, please contact your sales representative.
