Product Manager:	Emily Wang		Issue Date:	29 Dec, 2008
			Page(s):	1/1
Distribution:	Flextronics			

Subject:

Material Change for SMT Modjack in FCI Nantong

Nature of Change:

To improve our product performance, we change the housing material from PA46 to PA9T, with no impact on product specification.

Implementation Date: 31 Mar, 2009

Affected Part Numbers: See attached file.

Action Required:

Sales should inform customer for this product change.
