

PCN - 09 180

Issue Date: January 07 2010

Product Name:	LPVCC Assy		
	LPVCC Assy		
Product Manager:	Betty Tan		
Subject:	Product Change Notification		
Distribution:	Global		
Type of Change:	Manufacturing Location Change		
Change Description:	<ol style="list-style-type: none"> 1. Insource the plating and stamping to Singapore. 2. Change the matt tin solder tails to gold flash. 		
Reason for Change:	<div style="display: flex; justify-content: space-around; align-items: center;">   </div> <p style="text-align: center;"> Before conversion: "Grey" mattie tin solder tail After conversion: Gold solder tail </p> <ol style="list-style-type: none"> 1. The pre-plated LPVCC strips are vended in the USA 2. To improve the supply chain and reduce lead time, we decide to in-source plating and stamping to Singapore, which will reduce the over all lead time for the assembly to 4 weeks. 3. The terminal solder tail will be gold flash instead of matt tin and there is no impact on performance, form fit or function 		
Affected Parts:	See attached list		
Effective Date of Change:	April	30	2010
Last Time Buy Date:	N/A	N/A	N/A
Last Disty Return Date:	N/A	N/A	N/A
Datasheet Attached?	No	<i>available upon request</i>	
Qual/Test Data Attached?	No	<i>available upon request</i>	
Samples Availability Date:	N/A	N/A	N/A
Available Alternatives?	N/A
