Plates, Rear-Loading

Hubbell's IFP Rear-Loading plates provide an attractive, sleek new style to the workstation. The IFP plates add security at the workstation through rear loading. TIA/EIA-606 station labeling capability is provided through two labeling options: paper labels with clear covers, or color-matched covers for use with adhesive labels.

These plate features include vertical orientation of all port openings and flush mounting with box eliminators. Available in 6 colors including black which is ideal for use with office furniture systems.
