

Note:

To Remove mounting ring from bellows as supplied by inserting a 3.0Ø bar in one of the holes and twisting anti-clockwise through 41°. Mounting ring can be used as a template for drilling/tapping holes in mounting face.

Benefits

- ❖ Low profile easy to operate foot bellow
- ❖ For free standing applications or secured with a built in mounting plate

- ❖ Available as twin foot bellows (see 6447) and with convex top and base
- ❖ Base material - black rigid PVC, except double volume
- ❖ Bellow material - flexible PVC
