<b>Brand</b>	C.K
<b>Product Range</b>	Tool Systems
<b>Catalogue number</b>	150
<b>Date</b>	27/03/2009

## Range Description

A range of tool carrying equipment designed to offer the complete solution for construction industry professionals

## Features

The whole C.K Tool Systems range is manufactured using heavy weight non-fray polyester which is tough, durable and shower proof  
Multiple storage pockets combined with novel document and electronic equipment protection facilities are provided to make the system flexible and ideally suited to modern work practices  
Reinforced seams with heavy weight zips and riveted key joints combine to make the whole product range perfect for professional construction industry work

### The Mini Bag

- A compact and tough bag, built for rugged conditions
- 100% waterproof and crackproof base – even in extreme conditions
- 32 pockets and carrying straps for convenient storage and safe carrying
- Padded carrying handle for comfort
- Insulated drink pouch

### The Maxi Bag

- A bag to handle anything thrown in it
- 100% waterproof and crackproof base – even in extreme conditions
- 32 pockets and carrying straps for convenient storage and safe carrying
- Padded carrying handle for comfort
- Insulated drink pouch

### The Monster Bag

- Cavernous storage, ideal for the larger load
- 100% waterproof and crackproof base – even in extreme conditions
- 36 enormous pockets and carrying straps for convenient storage and safe carrying
- Padded carrying handle for comfort
- Insulated drink pouch

### Technicians Tool Case

- Award winning case offering protection for tools, manuals, and sensitive electronic equipment
- 50 Internal and external pockets
- Padded central compartment with divider
- Separate side compartments for tools
- Two internal zipped document pockets

### Technicians Tool Case PLUS

- A further development of the award winning case offering protection for tools, manuals, and sensitive electronic equipment
- 50 Internal and external pockets
- Padded central compartment with divider
- Separate side compartments for tools
- Two internal zipped document pockets
- New rubber waterproof base
- Heavy weight zips
- Soft and comfortable carrying handle
- More capacity

### Technicians Rucksack

- For tradespeople on the move
- 48 pockets and holders including fold out panels for easy tool access
- Padded to protect sensitive equipment
- External mobile phone holder and meter pocket for convenience

Copyright Carl Kammerling International Ltd

### Technicians Tote

- An ideal technicians companion
- Padded external instrument pocket
- Zipped secure pocket
- Roll over dust protector
- Tape measure hook
- Insulating tape hanger
- Internal tough pocket for trimming knife
- Internal elasticated tool straps
- End and side compartments for tools
- Crack-proof, waterproof rubber base

### Tool Tote

- Perfect for a busy tradesman
- Padded external instrument pocket
- Zipped secure pocket
- Roll over dust protector
- Tape measure hook
- Insulating tape hanger
- Internal tough pocket for trimming knife
- Internal elasticated tool straps
- End and side compartments for tools
- Crack-proof, waterproof rubber base
- Soft grip comfort handle
- Shoulder carrying strap

### Builder's Toolbelt set

- A complete solution for a professional builder
- Includes: padded belt, Builder's pouch, drill holster and mobile phone holder

### Electrician's Toolbelt set

- A complete solution for a professional Electrician
- Includes: padded belt, Electrician's pouch, drill holster and mobile phone holder

### Builder's Tool Pouch

- Tough construction ideal for the professional Builder
- 12 rigid easy access pockets
- Seamless nail pouch
- Integral swivel hammer loop
- Tough metal tape clip

### Electrician's Tool Pouch

- Tough construction ideal for the professional Electrician
- 15 Rigid easy access pockets
- Insulation tape holder
- Integral swivel hammer loop
- Tough metal tape clip

### Tool Roll

- Convenient and versatile tool storage solution
- 30 pockets to carry a wide range of tools
- Portable or wall hanging
- Padded carrying handle
- Secure fastening clips

### Chisel Roll

- Safe and convenient chisel storage
- Holds up to 9 chisels
- Padded carrying handle
- Secure fastening clips

### Drill holster

- Designed to keep a drill and accessories close to hand
- Padded construction for comfort & protection of valuable drills
- Drill securing strap for security
- Easy access drill and bit holder

Copyright Carl Kammerling International Ltd

### Hammer loop

- Convenient and rugged hammer loop
- Swivel loop to keep the hammer vertical and secure
- Velcro strip for secure and convenient attachment/removal

### Mobile Phone pouch

- Protection and convenience for one of the most essential tools of the trade
- Great new design, ideal for modern mobiles
- Easy access pen holder

### Padded Belt

- Padded and contoured, extra wide for great comfort and support
- Fits waist sizes 32 to 42"
- Braces clip hooks
- Securing clip to stop belt pulling through loops when loaded'

### Braces

- Provides additional support for a fully loaded toolbelt plus extra storage
- Fully adjustable
- Strong metal tape holder
- 8 attachment hooks/loops
- Reflective strip for visibility on site

Copyright Carl Kammerling International Ltd

### Belt Conversion Kit

- Converts belts to be compatible with C.K braces

### Essential Tool Pouch

- Mini pouch for bare essential "emergency tools"
- Strong metal clip for secure attachment

### 3 Pocket Pack

- Ideal for holding small loose items
- Cleated hooks for clipping to wherever is convenient

### Cable Strap

- Allows loops of cable to be attached to convenient points
- Strong metal clip for secure attachment

### Technician's Vest

- Fully adjustable
- 26 pockets and holders for tools, equipment and mobile phone
- 3 strong metal loops for attaching hanging items – includes 1 carabiner
- Strong metal tape holder
- Swivel hammer loop
- Reflective strip for visibility on site
- Breathable mesh lining for comfort

### Builders Rig

- Fully adjustable
- 21 pockets and holders for tools, equipment and mobile phone
- 3 strong metal loops for attaching hanging items – includes 1 carabiner
- Strong metal tape holder
- Reflective strip for visibility on site
- Breathable mesh lining for comfort
- Incorporates padded belt – compatible with C.K tool pouches and holsters
