

BUILT STRONGER TO LAST LONGER

Explorer Cases are the first of their kind to be manufactured in Europe, indeed their clean lines and good looks reflect their Italian heritage. We have produced a range of virtually indestructible durable waterproof cases providing a solution for any equipment requiring a high level of protection. Applications range from Military and Aerospace to Computer and Equipment cases while their **dust and waterproof qualities** offer absolute protection making them ideal for use in the harshest environment.

The Explorer Cases have been subjected to a series of controlled laboratory tests to prove their suitability for use in the most extreme and hazardous applications and ensure that they meet the exacting standards of: **IP67 Dustproof. Waterproof - Defence Standard 81-41 Level J STANAG 4280 (edition 2) - Conformity with the Directive 2002/95/EC.**
