

BRAND: GERBER
Model: FLIK™

FliK™

For those looking for the latest in multi-tool innovation from Gerber we proudly introduce the FliK, a revolutionary new tool that delivers industrial strength and professional grade functionality within a compact design meant for every day use.

The latest in our line combines one-handed deployment of pliers with outboard tools and a saw.

Our patented Saf.T.Plus © locking system assures tool components stay in place while in use.
