

Minwa Electronics Co., Ltd.

MW284

Regulated Switching Power DC/DC Converter

This compact size regulated converter, with an input voltage range from 12V – 24V, is ideal for any appliances drawing up to 2000mA from your car or truck. It is fully regulated to assure the delivery of a constant DC power to the various kinds of electrical and electronics items. (eg. Portable TV sets, video games, CD players)

Safety Features:

- Short circuit
- Automatic thermal cut off.
- Automatic overload cut off.

Standard output plug: 6 detachable plugs

Product Information

Product Code MW284

Category Regulated DC/DC Converter

Other Details

Technical Information

Input Voltage : 12 - 24V DC
Output Voltage : 1.5V / 3V / 4.5V / 6V / 7.5V / 9V / 12V DC
Current : 0 - 2000mA
