

Logitech®

Wireless Mouse M510

For comfort and control that lets you do more with your mouse

- Full-size, ergonomically designed shape with deep contours, soft rubber grips, gently curved sides and broad palm area
- Three standard buttons, programmable Back/Forward buttons and side-to-side scrolling plus zoom** Requires software installation
- Two-year battery life**** Battery life may vary based on user and computing conditions.
- Logitech® Unifying receiver
- Laser tracking

The full-size Logitech® Wireless Mouse M510 gives you more control, so you can do more with your mouse. The contoured shape with soft rubber grips gives you the support you need for all-day comfort. You can do more, faster: three standard buttons, Back/Forward buttons and side-to-side scrolling plus zoom* make it a breeze, especially for right-handers. Two years of battery life practically eliminates the need to change batteries**, while the tiny Logitech® Unifying receiver stays in your laptop, so you're less likely to lose it. And laser tracking means you'll enjoy smooth, responsive cursor control on just about any surface***.

* Requires Logitech® SetPoint™ software (Windows®) or Logitech® Control Center software (Mac OS® X), available for download at www.logitech.com/downloads.

** Battery life may vary based on user and computing conditions.

*** The laser sensor does not work on glass or mirrors.
