Wraprotor™ Wire ID Printer Applicator The One-System Solution for Wire Labeling!

Wire Labeling – Now Faster and Easier

Introducing the Wraprotor™ ID Printer Applicator from Brady – the automated print-and-apply machine that makes wire and cable identification faster and easier.

The Brady Wraprotor system improves productivity and adds quality by combining the printing and application of labels in one easy-to-use unit.

In a single stroke, the Wraprotor turns a series of labor-intensive, inefficient tasks into a modern automated process that saves time and materials - saving your company money.

Wraprotor comes with Brady360 Basic Comprehensive Care which includes a support engineer set-up training visit, loaner availability and reduced emergency on-site fees.

- Improves Productivity
- Enhances Quality
- Simplifies Operation
