3210E1V	19"-24"	ESD Vinyl	Chrome Tubular Steel	Yes	Class 10
3610E1V	24"-29"	ESD Vinyl	Chrome Tubular Steel	Yes	Class 10

Includes ESD mushroom glides.

Standard Features

- Comfortable, durable 15" diameter seat in polyurethane, fabric or vinyl.
- Easy-to-use pneumatic seat height adjustment with 360 degree swivel.
- Sturdy five legged base in tubular steel, polished aluminum or reinforced plastic.
- All models include carpet casters, except as noted.
- ESD models are static dissipative with a resistance of 10⁵ to 10⁹ ohms when measured according to the ANSI/ESD STM12.1-2006 standards.
- All cleanroom stools have been tested to class 10 by an independent laboratory to certify their compliance with Federal Standard 209.

Additional Options

- Stationary mushroom glides for ESD or non ESD applications at no charge.
- Dual wheel hard floor, carpet, interval braking, ESD or non-ESD casters.
- Adjustable chrome footing recommended for stools with seat heights above 19".

BEVCO's complete line of backless stools are built for durability and comfort. Sturdy construction and moderate pricing make these stools ideal for a wide range of applications including general office, medical, laboratory, factory, electronic assembly and clean room. Made in the USA, our products carry BEVCO's superior 12-year guarantee. It's not prorated, works 24 hours a day, and covers any defect in material and workmanship. Pneumatic cylinders are guaranteed for the lifetime of the stool.
