QL-580N - Network Address Label Printer

The QL-580N prints high quality labels quickly and easily, whether you need just one, or a series of labels. The new slim design looks great on your desk and will soon have your office looking professional and organised.

The QL-580N is also network-ready, allowing everyone in the office to print labels from the same printer. Everyone can benefit from becoming well-organised with neatly labelled storage areas, projects, and desk spaces.
