

Product selected: FHO 24W/840

A new generation of triphosphor High Output slim linear fluorescent tubes offering superior colorimetric, photometric and lumen maintenance performance. Particularly suitable for use in the new low profile recessed and suspended luminaires and modular systems.2. FHO - Fluorescent High Output is the optimised solution for indirect lighting.

Applications

- Industrial and commercial lighting
- Shops
- Department stores
- Restaurants and reception areas

Features

- Higher lumen output: from 1850 lm to 4900 lm
- Almost constant lumen maintenance throughout the entire life of the lamp due to Luxline Plus triphosphor technology
- High colour rendering (Ra85/Class1B)
- For electronic ballast operation only giving greater efficiency and advantages in improved starting and life performance
- Optimised ambient operating temperature at 35° C (max lumen output) allows compact luminaire designs
- Reduced storage volume and transportation costs
- Average rated life: up to 20000 hours

Product Attributes

Item description	FHO 24W/840
Ordering Code	0002773
EAN code	5410288027739
Packing Quantity	25
Wattage (W)	24
Voltage (V)	75
Cap	G5
Max. Over. Length (mm)	563.2
Diameter (mm)	16
Light output (lm)	2000
Bulb finish	Coolwhite Deluxe
CRI	1B
