

Halogen + LED Headlamps

A range of headlamps that gives you a choice of 2 light sources: the LEDs offer long-lasting light while the alternative halogen lamp offers a powerful 10,000 candlepower beam. The head tilts to direct the light exactly where it is needed.

- Hands-free light
- Can be helmet mounted using rubber strap (included)

- LED lamp for close-up light and long battery life
- Halogen lamp gives powerful beam

2640 - Headlamp + Head Mount

- Balanced battery compartment stored at the rear of the head
- 4xAA batteries (supplied)

2660 - Headlamp + Belt Mountable Pack

- 4xD cell battery pack
- Belt mountable or around the waist with belt supplied
- Longer light source than 2640 due to the battery pack
- Reduces the weight on the head
