

## Mechanical Digital Lock Key Security Cabinets

Key Cabinets with a robust mechanical digital push-button slam lock, providing 8000 different codes, and an easy turn knob opening. A 100 hook deep system is available to house bunches and unusual shaped keys - ideal for estate agents and the motor trade.

- Designed for wall mounting
- Durable powder-coated finish
- Solid front door
- Coloured, clip-in adjustable hook bars can be removed to suit different sizes of key holding
- Supplied with removable key index
- Colour coded, numbered key tags (with rings) provided to suit hook bars
- Additional keytabs available - pack contains 20 each of red, green, yellow, black and blue
- Location cards available to track issue and return of keys
