## PRODUCTS FOR OTHER POWER/ CONTROL APPLICATIONS

In heavy-duty industrial applications such as: press controls, control circuit instrument panels, die blocks, and safety fences and gates, Brad Harrison® products are the industry standard. Control Connector plugs and receptacles are available in 3-12 pole configurations, insulated with durable, impact-resistant Neoprene™ rubber. Brad Harrison® Safety Plugs provide electrical lockout during maintenance. Dual Round Connectors feature a unique plug and receptacle design that prevents mismatching.

### SAFETY PLUGS
