- with IEC and F socket
- with connection in F system

**DATA-/TELECOMMUNICATIONS**

**Supporting plates for modular jacks**

**Supporting plate for 2 MINI-COM modules**

anthracite, high-gloss	10	<b>09 4559 25 05</b>
grey, high-gloss	10	<b>09 4559 25 07</b>
polar white, high-gloss	10	<b>09 4559 25 09</b>

for order-no. 1980, 1981, 1983, 1984, 1989  
dummy module see module inserts / accessories order no. 1990

Modules:  
Panduit

- for mini jacks cat.3, cat.5, cat.5e and cat.6
- for optical fibre OPTI JACKs
- for Simplex-ST and Duplex-SC fibre-optic couplings
- for BNC connector modules
- for cinch connector modules
- for DIN round connector SVHS modules
- for dummy modules 1gang
- with 30° oblique outlet

**Cinch sockets**

**NEW**

**Cinch module set**

white/red    1 \* **\* 1989**

for order-no. 0945 59 25 .., 0945 .., 1427 ..  
dummy module see accessories order no. 1990

- with 2 Cinch sockets and module carriers
- with tool free cutting terminals

**Modular jacks**

**Mini jack 8pole**

black, RJ45, cat.3 ISDN-compatible    10    **1980**

RJ45, cat.5, shielded (AWG 22-23)    10 #    **# 1981**

RJ45, cat.5E shielded (AWG 22-24)    10    **1984**

RJ45, cat.6, shielded    10    **1983**

for order-no. 0945 59 .., 1427 ..

Cat.5 to DIN EN 50173-1:2003 and ISO/IEC 11801, 2nd edition

Cat.6 ISO/IEC 11801 2nd edition

Protective screen DIN EN 55022 class B

Colour coded to EIA/TIA 568A and 568B

- with insulation piercing terminals

**Dummy module**

**NEW**

**Blank modul**

polar white, 1gang    1 \* **\* 1990**

for order-no. 0945 59 .., 0945 .., 1427 ..

**Supporting plates for modular jacks**

**Supporting plate for AMP modular jacks 1gang**

anthracite, high-gloss    10    **09 4557 25 05**

grey, high-gloss    10    **09 4557 25 07**

polar white, high-gloss    10    **09 4557 25 09**

for order-no. 1854

SL series toolless jack:

AMP;

Modular jacks:

Brand-Rex;

CobiNet;

EFB Electronic;

Schumann;

EMT modular jack:

AMP;

Standard 110 Connect jack:

AMP;

MT-RJ jack:

AMP;

Intracom;

Telena

- for AMP modular jacks series 110 Connect cat.3, cat.5, cat.5e and cat.6
