

M2

*Better by design...*

RPP is a British manufacturer which was established in 1974. The Company's manufacturing plant and Headquarters are based in Redditch, which is in the central region of the UK.

### **25 Year Guarantee**

The RPP range of accessories is covered by a 25 year guarantee, providing the following conditions are met:

- 1 The accessory has been installed in accordance with the wiring regulations in force at the time of installation.
- 2 The accessory has not been subjected to improper use.

### **RPP Quality Assurance**

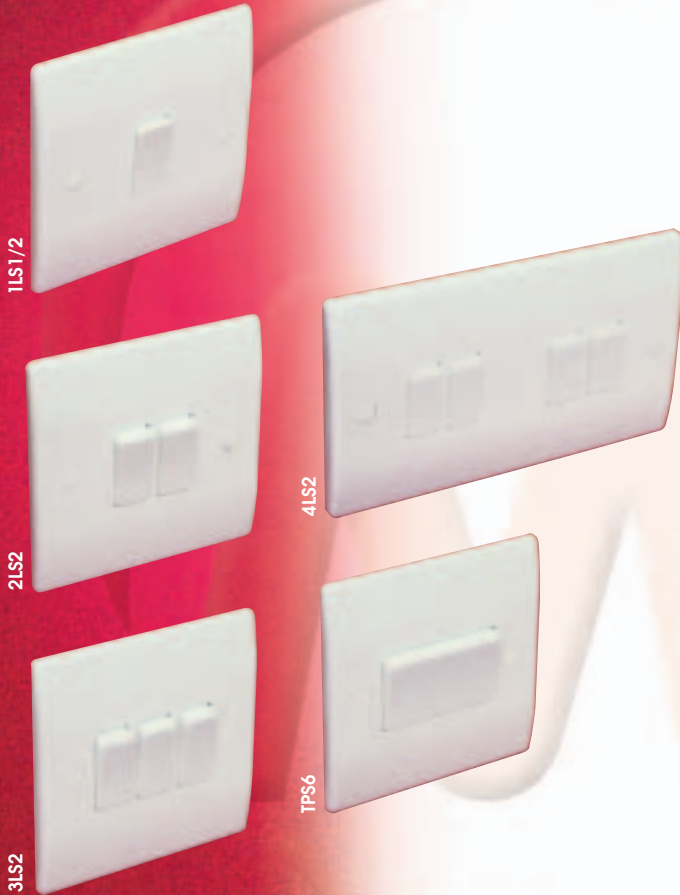

Our manufacturing systems are compliant with internationally recognised BS EN 9001:2000 for the design, development and manufacturing of Electrical Accessories.

### **CE Declaration of Conformity**

## 10 AX LIGHT SWITCHES

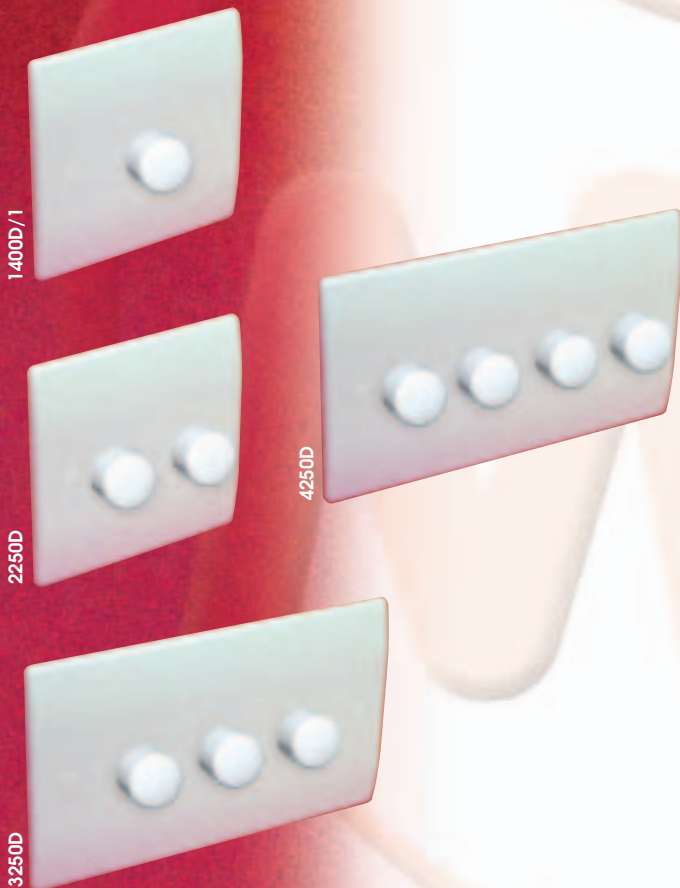

Description	List No.
1 Gang 1 Way	1LS1
1 Gang 2 Way	1LS2
1 Gang Intermediate	1NTS
2 Gang 2 Way	2LS2
3 Gang 2 Way	3LS2
4 Gang 2 Way	4LS2
Triple Pole Fan Isolator	TPS6

**Terminal Capacity**  
3 x 1.5mm<sup>2</sup>

**Mounting Boxes**  
Flush: 16mm  
Surface: 19mm

**Box Quantity: 10**

## DIMMER SWITCHES

Description	List No.
1 Gang 1 Way (400W)	1400D/1
1 Gang 2 Way (400W)	1400D/2
2 Gang 2 Way (250W)	2250D
3 Gang 2 Way (250W)	3250D
4 Gang 2 Way (250W)	4250D

Dimmers are suitable for both mains and low voltage applications, and do not require de-rating for GU10 lamps.

**Terminal Capacity**  
3 x 1.5mm<sup>2</sup>

**Mounting Boxes**  
Flush: 25mm  
Surface: 29mm

**Box Quantity: 5**

# 13 AMP SOCKETS

Description	List No.
1 Gang Unswitched	.113S
2 Gang Unswitched	.213S
1 Gang Switched	.113SS
2 Gang Switched	.213SS
2 Gang RCD Socket 30ma trip - passive	.2GRCD
1 Gang Switched with Neon	.113SSN
2 Gang Switched with Neon	.213SSN
Dual Voltage Shaver Socket	.DVSS

### Terminal Capacity

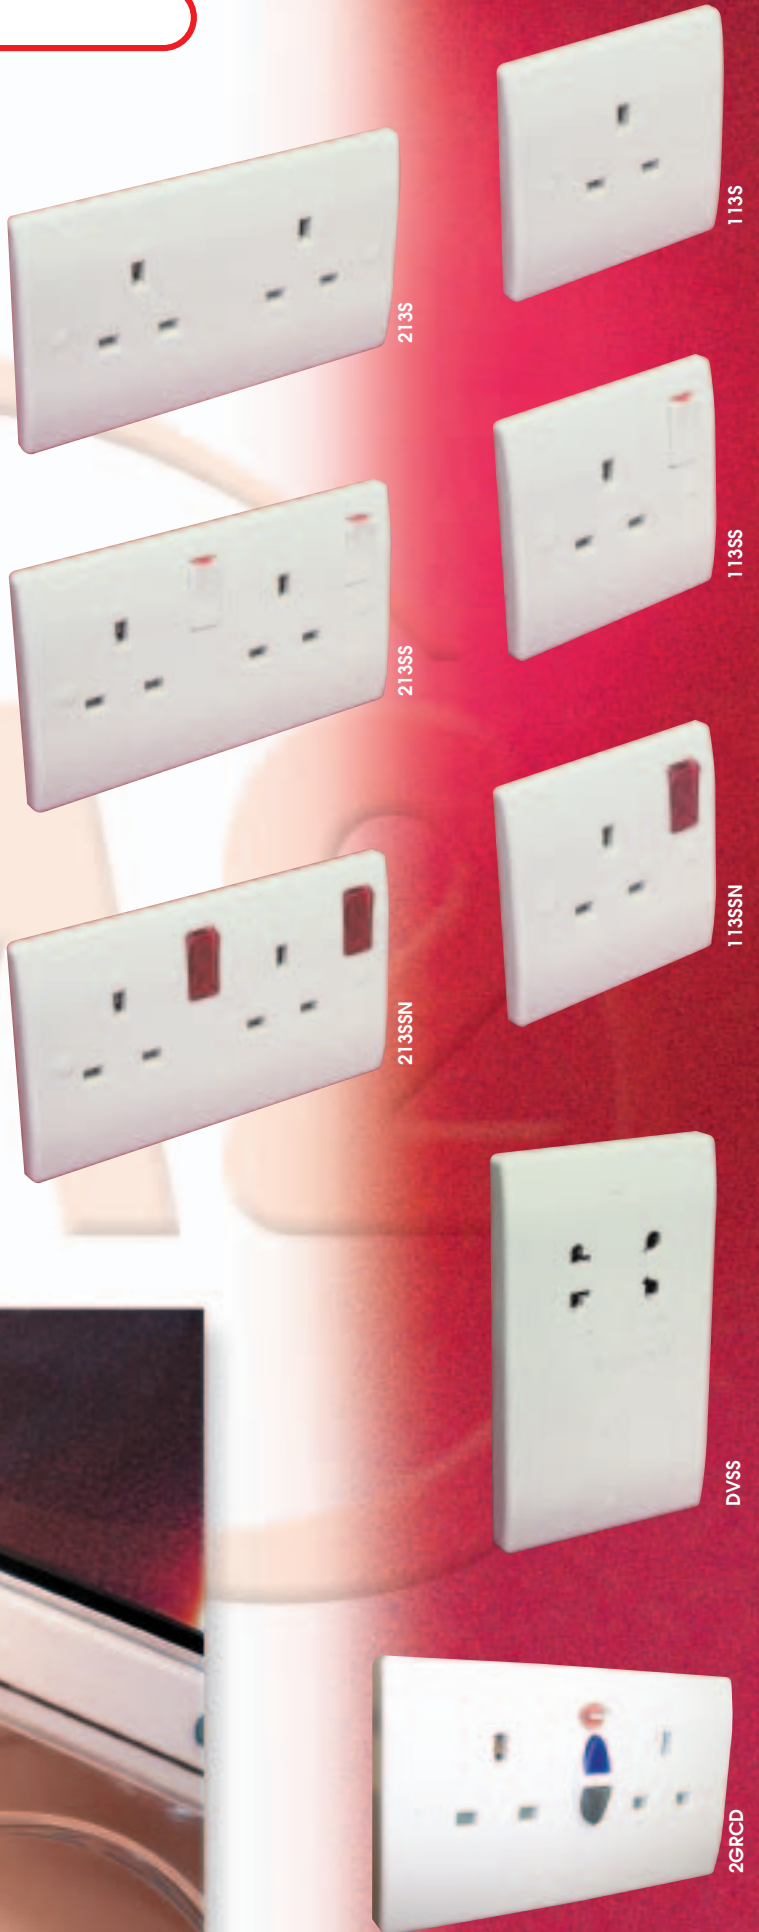

Earth: 4 x 2.5mm<sup>2</sup> (1 Gang Sockets)  
 Earth: 8 x 2.5mm<sup>2</sup> (2 Gang Sockets, Dual Earth)  
 L & N: 8 x 2.5mm<sup>2</sup>

### Mounting Boxes

Flush: 25mm      Shaver only - Flush: 45mm  
 Surface: 29mm      Surface: 47mm

### Box Quantity: 10

Box Quantity DVSS: 1

## 13 AMP SPUR UNITS

13SU

13SSU

13SSUN

### Description

### List No.

Unswitched	13SU
DP Switch	13SSU
DP Switch with Neon	13SSUN

### Terminal Capacity

Earth:	4 x 2.5mm <sup>2</sup>
L & N:	4 x 2.5mm <sup>2</sup>

### Mounting Boxes

Flush:	25mm
Surface:	29mm

### Box Quantity: 10

Bottom edge cable outlet with cable clamp.  
13 amp Cartridge Fuse to BS1362  
fitted as standard.

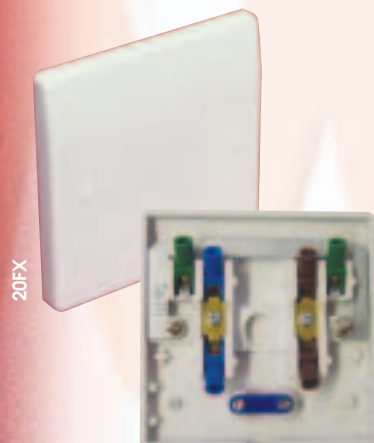

## 20 AMP DP SWITCHES

20DPS

20DPSN

20FX

### Description

### List No.

DP Switch	20DPS
DP Switch with Neon	20DPSN
20 amp Flex Outlet Plate	20FX

### Terminal Capacity

Earth:	4 x 2.5mm <sup>2</sup>
L & N:	4 x 2.5mm <sup>2</sup>

### Mounting Boxes

Flush:	25mm
Surface:	29mm

### Box Quantity: 10

Bottom edge cable outlet with cable clamp.  
Print legends eg. 'Water Heater' to order.

1 Gang Satellite Connector 8197

Box Quantity: 10

DESCRIPTION LIST No.

1 Gang Co-ax (Non-isolated) / 8198

Satellite Connector

Box Quantity: 10

## 13 AMP FILTERED SOCKET OUTLETS

Suitable for 25mm flush or 29mm surface mounting boxes

DESCRIPTION	LIST No.
2 Gang Switched	P408/FIL
<i>BS1363 RFI &amp; Surge Protection.</i>	

With the increasing sophistication of electrical and electronic equipment, the need for protection from radio frequency interference (RFI) and mains borne transient surges is of paramount importance. Power fluctuation problems can arise from lightning strikes, electrical equipment being turned on and off and radio transmissions etc.

Most power surges will be obstructed by the filter. If an abnormally high surge should occur that saturates the filter, the 'Protected when lit' indicator will go out and the socket should be replaced. It will however continue to operate as a normal socket so continuous power/data will not be lost.

## 13 AMP 'SPIKE BUSTER' SURGE SOCKETS

Suitable for 25mm flush or 29mm surface mounting boxes

DESCRIPTION	LIST No.
2 Gang Switched	P408/SRG
<i>Maximum surge capacity (one surge): 2.5KA.</i>	
<i>Response time: less than 25nS</i>	

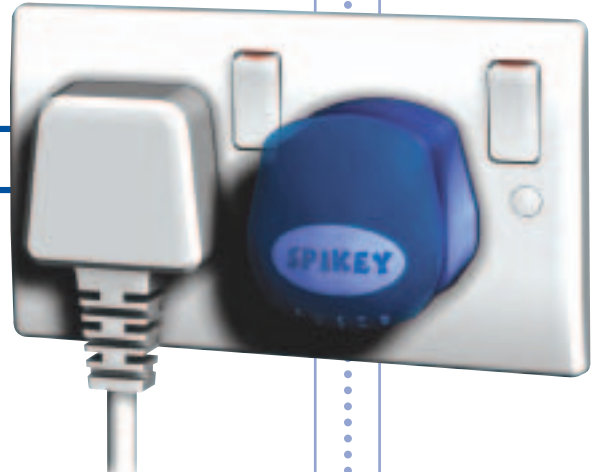

## SURGE SUPPRESSOR PLUG 'SPIKEY'

DESCRIPTION	LIST No.
Surge Suppressor Plug - 'Spikey'	SSP

Use 'Spikey' as a rewirable plug, or protect all your adjacent equipment.

- Protected when lit indicator
- Use as a direct replacement for a standard plug
- Protects adjacent equipment when plugged in alongside
- Made in durable polycarbonate

## SINGLE TO DOUBLE CONVERTER SOCKETS

Suitable for 25mm flush or 29mm surface mounting boxes

DESCRIPTION	LIST No.
Single to Double Socket	S2D
<i>Converts a single to a double socket outlet without changing the existing one gang wall box.</i>	

## DOUBLE TO TRIPLE CONVERTER SOCKETS

Suitable for 25mm flush or 29mm surface mounting boxes

DESCRIPTION	LIST No.
Double to Triple Socket	D2T
<i>Converts a double to a triple socket outlet without changing the existing two gang wall box.</i>	

# COMPREHENSIVE RANGE OF PRODUCTS

Other RPP product brochures include:

Eclipse polycarbonate accessories - ideal for caravans, holiday homes, schools and other harsh environments. Tough, durable and available in various colours, the range includes special products such as surge and filtered socket outlets.

RPP provides Power Distribution Units principally for the data rack and cabinet industry. Other applications include shop fitting, office furniture manufacturing and desk-in systems.

Easy Seal weatherproof accessories offer a full range of products for domestic and commercial environments. Not only switches and socket outlets that provide IP56 with plugs in use, but telephone, coax and data points are also available.

Easy-Clip modular accessories provide a comprehensive range of power, voice and data modules for the domestic and commercial environments. Modules clip easily into face plates which match other RPP range styles, providing complete solutions with multiple choices for the end user.

Vantage and The Decorative Collection brochure features the very latest in contemporary metal flat plate accessories, combined with more traditional styles and finishes. A full range of power, data / audio and voice combinations are included.

For more information on these or any of the RPP ranges of products, please contact us using our details shown below.
