DISPOSABLE HEEL GROUNDERS

Codes J8260 FEC Part No 168373

Disposable heel grounders or heel straps are intended to ground temporary visitors to ESD Protected Areas equipped with conductive floors. They are not intended for more than 4 hours continuous use. Instructions for Use are printed on the cover included with each bag. Do not forget to test your resistance to ground before entering the ESD Protected Area; IEC 61340 requires that it be less than 35 Megohm.

Properties

Material: Yellow non-woven fibrous material
 Conductor: Carbon black
 Width: 14mm
 Electrical resistance (end-to-end): <0.1 Megohm at 100V

Available in bag of 50 strips, 30cm long
