In-Line Power Supply Case

Features:

- A power supply style case with an attractive rugged appearance, moulded in black flame retardant ABS.
- The case will house EI54, S35 or S147 size transformers and leave space for ancillary components.
- The top and base are normally glued together although it is possible to drill the base and use self-tapping screws to hold them together.
- Recessed holes designed to accept standard 9mm self adhesive feet.
