

ULGFAST™ Battery Charger

- Fast charger— completely charge batteries in 1 to 2 hours, depending on how many batteries are loaded and actively charging.
- Setting for 2 or 4 batteries directs power to charger terminals in use, allowing batteries to charge as fast as possible for the quantity loaded.
- LCD screen displays charge status for each battery!
 - Shows flashing bars in battery icon while charging.
 - Shows solid bars in battery icon when charging complete.
- Charge while on the move —DC adapter included for charging in car, RV or boat.
- Adjustable charger terminals, adapts to AA or AAA sized batteries.
- Includes:
 - 4 AA UltraLast Green™ High-Power Rechargeables™ batteries
 - AC wall adapter
 - DC automotive adapter
