3M Scotch-Weld[™] Hot Melt Adhesive 3798 LM

Product Description	3M TM Scotch-Weld TM Hot Melt Adhesive 3798 LM is a heat applied, 100% solids removable, thermoplastic adhesive.			
Features	• Easily removes from most substrates.			
	• Easy to use and fast.			
	Obtains strength in seconds.			
	• Made from components listed as indirect food additives under FDA regulations for adhesives (21 C.F.R. 175.105).			
	• Tack free.			
	• Solvent-free, 100% solids.			
	• Stable release properties with accelerated aging at 120°F (49°).			
	• Can be used on a wide variety of substrates including most coated substrates.			
Typical Physical Properties	Note: The following technical information and data should be considered representati or typical only and should not be used for specification purposes.			
	Color	Off White		
	Specific Gravity	0.91		
	Flash Point (COC)	474°F (246°C)		
	Viscosity @ 250°F ⁽¹⁾ (121°C)	9,500 cps		
	Ball & Ring ⁽²⁾	191°F (88°C)		
	Open Time ⁽³⁾	30 Seconds		

⁽³⁾1/8" semicircular bead, cardboard to cardboard.

Application Ideas

Ideal for securing items in place while shrink-wrapping and can be used to attach business cards, coupons, inserts, credit cards, samples, etc. to brochures and mailings.

$3M^{\text{TM}} Scotch-Weld^{\text{TM}}$

Hot Melt Adhesive

3798 LM

Application Techniques	 3MTM Scotch-WeldTM Hot Melt Adhesive 3798 LM is designed for application using a 3MTM Scotch-WeldTM Hot Melt LT Applicator (5/8" x 2") at 265°F (129°C). This applicator is designed exclusively for low-melt adhesives. Apply to one surface. Make bond as soon as possible. Bond strength is maximized when open time is reduced. After the bond is made, there is immediate strength and no clamping is necessary. Optimum release on some substrates may require up to a 24 hour dwell time for clean removal. 			
	5. Adhesive may bleed onto porous surfaces or cause staining. It is advisable to evaluate the adhesive on a test substrate for undesirable effect.			
Storage	Store product below 120°F (49°C).			
Shelf Life		ored at the recommended conditions, this product has a shelf life of 2 years date of manufacture.		
Precautionary Information		efer to Product Label and Material Safety Data Sheet for health and safety information before using this oduct. For additional health and safety information, call 1-800-364-3577 or (651) 737-6501.		
Product Use	All statements, technical information and recommendations contained in this document are based upon tests or experience that 3M believes are reliable. However, many factors beyond 3M's control can affect the use and performance of a 3M product in a particular application, including the conditions under which the product is used and the time and environmental conditions in which the product is expected to perform. Since these factors are uniquely within the user's knowledge and control, it is essential that the user evaluate the 3M product to determine whether it is fit for a particular purpose and suitable for the user's method of application.			
Warranty and Limited Remedy	Unless stated otherwise in 3M's product literature, packaging inserts or product packaging for individual products, 3M warrants that each 3M product meets the applicable specifications at the time 3M ships the product. Individual products may have additional or different warranties as stated on product literature, package inserts or product packages. 3M MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY IMPLIED WARRANTY ARISING OUT OF A COURSE OF DEALING, CUSTOM OR USAGE OF TRADE. User is responsible for determining whether the 3M product is fit for a particular purpose and suitable for user's application. If the 3M product is defective within the warranty period, your exclusive remedy and 3M's and seller's sole obligation will be, at 3M's option, to replace the product or refund the purchase price.			
Limitation of Liability	Except where prohibited by law, 3M and seller will not be liable for any loss or damage arising from the 3M product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted, including warranty, contract, negligence or strict liability.
