

# SH CONNECTOR

Disconnectable Crimp style connectors

**The world's first 1.0mm (.039") pitch crimp style connector.**

## Features

- **Ultra-compact, low profile design**

The SH connector is very small with a mounting height of 2.95mm (.116") for side entry type.

- **Compatible with the SR insulation displacement connectors**

The same shrouded header can be used for the SR insulation displacement connector.

- **Housing lances**

The contact retention lances on the resilient housing allow the confirmation of contact lock-in for easy and secure insertion.
