Pro Series Hi -Speed USB 2.0 Cable, 6 feet

©2000 Belkin Components

Part # F3U13306 $19.99

[ADD TO CART]

Overview	**Features**	**Specs**

Now you can attach all your high-speed USB devices to your computer and enjoy error-free transmissions. The Belkin Pro Series Hi-Speed USB 2.0 Cable is the perfect solution for connecting your USB printer, scanner, hard drive, and other equipment. It supports up to 127 devices on a daisy-chain configuration and transmits data at up to 480Mbps. Gold - plated copper contacts provide maximum conductivity and minimize data loss, and our hot-pluggable design assures fast connectivity.
