

**Board to Board Connectors**  
**CHAMP 050 Series Connectors—Series II**  
**For Wire to Board Connection/Wire Application Side**

**SCSI-II**  
**Plug Connector Kit**  
**With Insulation**  
**Displacement Contacts**  
**For 50 Position**

**Part Number:** (gold plate thickness on contact area)  
**175751-7** (0.3 $\mu$ m)  
**2-175751-7** (0.76 $\mu$ m)

**Material and Finish:**  
Housing (base, face, cover)  
—UL94V-0 rated, glass-filled thermoplastic, black (face) and grey (base and cover)  
Contacts—Phosphor bronze, 0.3 $\mu$ m or 0.76 $\mu$ m min. gold on contact area (see above descriptions), tin-lead or tin on insulation displacement crimp area, with underplated nickel  
Front Shell—Nickel plated steel

**Wire Range:**  
AWG#28 (7/0.127mm)  
**Wire Insulation Diameter:**  
0.7~0.9mm
