Item details

Item description

11_QLA-01-2-11/122_NE

Connector Description	Straight cable plug
Series / Pattern	• QLA-01 – Type / Pattern 11
Highlights	
Item number	22544536
Catalogue drawing	11_QLA-01-2-11
Related documents	Assembly Instruction 3D Model - STEP format AP203/214
2002/95/EC (RoHS)	compliant
Interface Standards	NIM-CAMAC-Standard CD/N549

Mechanical data

Cable Entry Centre Contact	
Cable Entry Outer Contact	
Dielectric Size	

Electrical data

Impedance	
Interface Freq max	

Environmental and general data

Operating Temp min	
Operating Temp max	
Weight	
Number of Matings	
Cable Retention Force	Value considers max. load without irreversible variations of specifications

Material data

2002/95/EC (RoHS)	compliant
-------------------	-----------

Piece part	Base material	Platina
-------------------	----------------------	----------------
