

Subminiature, Radial Leaded, Fast-Acting Fuses PC-Tron Series

Description

- Radial leaded, fast-acting thru-hole fuse
- Ideal for high voltage DC applications
- Board washable
- Optional mounting socket available (PCS)
- Available in different lead configurations

AC Time-Current Characteristics	
% of Amp Rating	Opening Time
100%	4 hours minimum
200%	10 second maximum

Agency Information

- UL Recognized: E19180
- CSA: 42731

Part Number System/Ordering - An Option Code Must Be Selected

- Specify packaging code prefix, product and option code suffix

DC Application

The PC-Tron subminiature fuse is UL Recognized for DC supplementary overcurrent protection to provide individual protection for components or internal circuits in equipment. Suitability for a specific application is dependent on time constants and capacitance values. It is the responsibility of the customer to evaluate the information provided for applicability to their particular application.

PCS Mounting Socket (RoHS compliant)

- Available as option. Specify catalog number BK/PCS (100 in a polybag) and short fuse lead length — PCC or PCE

Specifications

Catalog Number	Lead Length	AC Voltage Rating	AC Interrupting	DC Voltage Rating	DC Interrupting	
					Min.	Max.
PCB-1/2, 3/4, 1, 1-1/2, 2, 2-1/2	Full - 0.750" (straight)	250V	50A@250V - 10kA@125V	450V	300	5900A
PCB-3	Full - 0.750" (straight)	250V	50A@250V	350V	300	4400A
PCB-4	Full - 0.750" (straight)	-	-	400V	300	2500A
