BERNSTEIN

SPECIAL ELECTRONIC PLIERS EUROline-Conductive

Box joint

Double leaf spring High quality steel

Fine polished and bright burnished, for dazzle free working Ergonomically formed bicoloured hand-guard from **conductive** anti-slide material

The pliers of this program have been tested with good results by several testing laboratories adequate to **DIN EN 61340-5-1**, **61340-2-1**, **61340-2-3** for work in ESD protected areas

CUTTING PLIERS

No.	Leng mm i	th inches	Finish	cuttin Copper- wire	ng capac Soft wire	ity mm Ø Hard wire	Weigh g
/ini side /ith very slim.	cutte	rs EU I head	IROline-Condu	ictive
