

# Slimline Magnifying Lamp D22030/34-01

Stylish chrome version - D22034-01

2 lenses included

lamp comes complete with:  
22w Daylight™ tube,  
2 lenses  
and table clamp

## Product description:

Two unique magnifying lamps in our modern slimline design combined with all the features you need. These magnifying lamps are supplied with a 22w Daylight™ energy saving bulb and 2 separate lenses so you can work with the optimal magnification for every task. The lenses can easily be changed without any tools necessary. These magnifiers are the perfect tool for all inspection work.

## Features:

- Professional high quality inspection lamp
- Powerful 22w Daylight™ energy saving bulb (100w equiv.) reduces eye strain and glare
- 2 lenses included (1.75X and 2.25X) for intricate work
- New "Quick Swap" system, to change the magnification of the lamp in a couple of seconds and without any tools
- Flicker-free electronic ballast, work for longer in optimal comfort
- High quality metal arm for optimal flexibility and durability
- Sturdy metal clamp to attach the lamp to a desk or a table
- Available in 2 different finishes: chrome and white

## Technical information:

- Heavy-duty metal arm with internal safety springs
- Light: 22w Daylight™ tube (D12010), 100w equivalent
- Electronic ballast
- Lenses: 2 glass lenses included, 13cm diameter
  - 1.75 x magnification (3 diopter)
  - 2.25 x magnification (5 diopter)
- Supplied with table clamp
