

SCALPELS & BLADES

The Professional Range of blades and handles are produced with Craft 'Professionals' and enthusiasts in mind. They are used in a variety of different industries from Mold Cutting and Jewellery Manufacture to Printing and Artwork. The **No.3 handle** is available for use with the small (No.3) fitment blades. The **No.4 handle** is available for use with the larger (No.4) fitment blades.

Especially with Craft 'Professionals' and enthusiasts in mind, Swann-Morton has produced two acrylic handles, the **5A and 6A** with a nickel blade fitting that takes standard surgical blades. The **No.5A handle** is available for use with the small (No.3) fitment blades. The **No.6A handle** is available for use with the larger (No.4) fitment blades.
