

## Tor Heavy-Duty Cable Stripping Tool

pressmaster®

**New**

Tor is a professional stripping tool for cables of all insulation types. Supplied with both small and large hooks to allow a cable stripping capacity of 4.5mm to 40mm.

- Large capacity: Interchangeable hook feature means that Tor can replace two or more similar products in the toolbox.
- Easy to use: Positive locking positions for circular, lengthways and spiral strips.
- No special tools required to change hooks.
- Durable: Replacement cutting blades can be stored in a pocket located within the tool body.
- Reliable: Tested to over 100,000 cycles
