

609H83

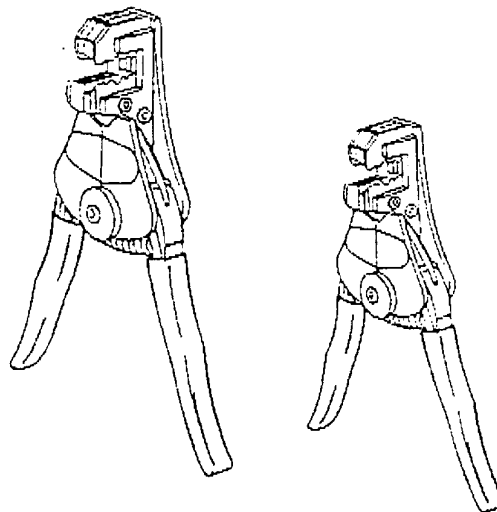

Metric T®-Stripper

- High quality hand wirestripping and cutting tools
- Precision-ground, knife-type blades assure clean, accurate stripping
- Built-in loop-hole and cutter eliminate the need for additional tools.

Metric Stripmaster® Wire Strippers

- Semi-automatic hand wire stripping tools
- One step stripping action reduces stripping time for increased productivity
- Sturdy die-cast frame provides long, trouble free life.

Metric Models of T®-Stripper & Super T®-Stripper Wire Strippers

Description	Catalog No.	Wire Range
T®-5	45-120M	6,0 mm - ,75 mm
