Product Facts

- Robust surface mountable designs
- Meets CompactFlash Association Specifications
- Proven PCMCIA contact technology
- Accepts hardware for mechanical mounting
- Tray and tape packaging availability
- Produced under a Quality Management System certified to ISO 9001

A copy of the certificate is available upon request

Dielectric Strength — 500 VAC, 1 minute Durability — 10,000 cycles Module Mating Force — 39.1 N Maximum

- CompactFlash Storage Cards are small removable mass-storage devices that electrically comply with the PC Card ATA standard, and also run in true IDE Mode.
- These 50 position cards typically hold between

32MB and 2GB of memory and are about the size of a matchbook.

- Tyco Electronics offers a comprehensive line of headers for CompactFlash - e.g., sorage cards, that can accept both Type I (3.3mm thick) or Type II (5.0mm thick) cards.
- Other available features include flush and raised mounting heights, ejectors, and ESD protection.

RoHS Introductory

Restriction on the use of Hazardous Substances (RoHS)

At Tyco Electronics, we're ready to support your RoHS requirements. We've assessed more than 1.5 million end items/components for RoHS compliance, and issued new part numbers where any change was required to eliminate the restricted materials. Part numbers in this catalog are identified as:

RoHS Compliant -- Part numbers in this catalog are RoHS Compliant, unless marked otherwise. These products comply with European Union Directive 2002/95/EC as amended 1 January 2006 that restricts the use of lead, mercury, cadmium, hexavalent chromium, PBB, and PBDE in certain electrical and electronic products sold into the EU as of 1 July 2006.

NOTE: For purposes of this Catalog, included within the definition of RoHS Compliant are products that are clearly "Out of Scope" of the RoHS Directive such as hand tools and other non-electrical accessories.

Non-RoHS Compliant -- These part numbers are identified with a "" symbol. These products do not comply with the material restrictions of the European Union Directive 2002/95/EC.

Getting the Information You Need

Our comprehensive on-line RoHS Customer Support Center provides a forum to answer your questions and support your RoHS needs. A RoHS FAQ (Frequently Asked Questions) is available with links to more detailed information. You can also submit RoHS questions and receive a response within 24 hours during a normal work week. The Support Center also provides:

- · Cross-Reference from Non-compliant to Compliant Products
- \cdot Ability to browse RoHS Compliant Products in our on-line catalog
- \cdot Downloadable Technical Data Customer Information Presentation
- \cdot More detailed information regarding the definitions used above

So whatever your questions when it comes to RoHS, we've got the answers at www.tycoelectronics.com/leadfree
