

## Personal Systems Products Computer Industry

### PC Card/Compact Flash/Smart Card

#### Compact Flash Card Connectors

**Material and Finish:**

**Housing** - High temperature thermoplastic, black

**Pins** - Copper alloy, plated gold over nickel on mating end; tin-lead over nickel on solder tails

#### 50 Position Board Mount Pin Headers

Header Style	Part Numbers	
	Type 1	Type 2
Vertical	145839-1	788643-1
Right Angle (Flush Top Mount)	120615-1	788667-1
Raised Right Angle (with ejector)	1123204-1	—

**Product Facts:**

- Robust low profile design
- Meets Compact Flash Association specifications
- 1.27mm centerline
- 10,000 cycle durability minimum
- Surface mount with locator posts

#### Compact Flash Card Receptacles

Receptacle Style	Part Number
Surface Mount	146784-1
Straddle Mount	146881-1

**Material and Finish:**

**Housing** - High temperature thermoplastic, black

**Contacts** - Copper alloy, plated gold over nickel on mating end; tin-lead over nickel on solder tails

**Product Facts:**

- Meets Compact Flash Association specifications
- 1.27mm centerline spacing
- 10,000 mating and unmating cycle
- Surface mount or straddle mount
- Dual beam contact receptacle design

#### Smart Card Connectors

**Material and Finish:**

**Housing** - UL 94V-0 rated, Thermoplastic, gray

**Contact** - Phosphor bronze, gold plated on contact area, tin-lead plated on soldering area, nickel underplated or enter area contact

Part No. 1123078-1

**Product Facts:**

- Meet IC card standards set by International Standards Organization
- Highly reliable
- Compatible with IRD Set-top boxes
- Can also be used in medical instruments and digital TV

Note:  
BLUE part numbers indicate 2D geometry and 3D CAD models that are included on CD-ROM.
