

Kingston DataTraveler 200

kingston.com/flash

Space, speed & security

*Based on Internal Testing

Kingston's new DataTraveler® 200 USB Flash drive is ideal for storing and transferring digital images and presentations and transporting all kinds of data. With capacities up to 128GB, the DataTraveler 200 features password protection via Password Traveler software, which allows you to create and access a password-protected, secure area of the drive called a "Privacy Zone".

DataTraveler 200 is ideal for those who need significant storage capacity and data protection in a sleek, durable design. With a capless design, the DataTraveler 200 is perfect for home or business.

DataTraveler 200 is backed by legendary Kingston® reliability plus a five-year warranty and 24/7 tech support.
