flash

Fast transfer and password protection for your sensitive data.

*Based on Internal Testing

Kingston's DataTraveler® 410 USB Flash drive (DT410) offers fast transfer rates and secure storage for all kinds of data. With capacities up to 32GB, DataTraveler 410 contains room for high-definition photos, graphics-intensive documents, videos, spreadsheets, presentations, term papers, and music that can be stored and retrieved in a flash. Password-protect data with SecureTraveler¹ software, which allows you to create and access a password-protected, secure area of the drive called a "Privacy Zone." DT410 features 20MB/sec. read and 8MB/sec. write speeds and a capless, swivel design for added functionality and ease of use.

Customize Kingston's DataTraveler 410 by adding your logo and/or digital files to instantly increase your brand recognition².

DataTraveler 410 is backed by legendary Kingston® reliability plus a five-year warranty and 24/7 tech support.
