1GB microSD card + USB Card Reader + Music

Kingston® has partnered with eMusic, the world's largest site of independent music, to deliver the ideal solution for music lovers on the go — the 1GB* MusiConnection Starter Pack. The Starter Pack includes 10 free preloaded songs on the 1GB microSD card** along with an offer from eMusic for an additional 50 free songs with a 14-day eMusic trial subscription***. The pre-loaded songs include music from various eMusic artists.

Use the Reader with the included Kingston 1GB microSD card and you'll have the storage capacity for a variety of transfers. You can also acquire content to side load to your phone, e.g., moving your new eMusic MP3s stored on your PC for use on your phone. The MusicConnection Starter Pack eliminates the need to carry additional USB transfer cables and the typical wait for Bluetooth technology file transfers between phones and PCs. When in use, the microSD Card Reader appears as a drive letter (e.g., E:\), and data transfer is as simple as drag and drop.

The Starter Pack is backed by a two-year warranty on the reader, a lifetime warranty on the microSD card†† and Kingston's legendary service and support. The Starter Pack includes a stylish black reader with 1GB microSD. And with the included keychain, you can hang it from your phone for the one bundle solution you need to complement your mobile lifestyle.

System Requirements

- System with USB support
- Windows® Vista™ (ReadyBoost not supported)

FCR-MRB+SDC/1GB-MEC

* Some of the listed capacity is used for formatting and other functions and is not available for storage. For more information, go to Kingston's Flash Memory Guide at Kingston.com/Flash_Memory_Guide.

** Music folder is viewable on your PC using the card reader. Some phones may initialize the microSD card the first time it is installed into the phone and the pre-loaded content could be lost. To preserve the pre-loaded music, before installing the microSD card into the phone the first time, insert the USB card reader (with microSD card inside) into your PC and copy any pre-loaded content to your PC. MP3 Playback may vary on mobile phones; consult your handset guide and wireless carrier for music playback configuration requirements.

*** Offer available to first-time eMusic customers only. Credit card and internet access required. Music offer subject to change without notice. eMusic is a registered trademark and the eMusic logo is a trademark of eMusic.com Inc. in the USA and other countries. All rights reserved.

†† Card only. Kingston is not responsible for third content included on the memory card. 10-year warranty in France, Germany and Austria

††† Speed may vary due to host and device configuration.
