Kingston DataTraveler *110*

Simplify your portable storage.

Kingston's family of convenient, compact and reliable DataTraveler® USB Flash drives just got bigger with the addition of the DataTraveler *110*. Storing, transferring and carrying files has never been simpler. With capacities up to 8GB, DataTraveler *110* contains room for high-definition photos, graphics-intensive documents, videos, spreadsheets, presentations, term papers, and music that can be stored and retrieved in a flash.

Sleek, practical, and attractively designed, the affordable DataTraveler *110* serves the needs of the budget-conscious user as well as those looking for significant storage capacity in a lightweight, compact design. DataTraveler *110* features a retractable USB connector for ease of use and safe housing and is available in 1GB (purple), 2GB (blue), 4GB (red), and 8GB (green).

Backed by a five-year warranty, 24/7 tech support and legendary Kingston® reliability, DataTraveler *110* is a reliable, inexpensive solution for carrying digital files with you wherever your travels may take you.
