Do more, share more, store more.

Now you can store, carry and transfer files in an affordable, convenient device. The new DataTraveler® Generation 2 (G2) from Kingston® helps budget-conscious users break storage barriers, allowing them to easily store and move files in a device no bigger than a pocketknife.

As easy as click and drag, DataTraveler G2 can hold just about any file you can think of — term papers, theses, digital images, spreadsheets or other important documents. DataTraveler G2 features a retractable USB connector for ease of use and safe housing. It works with virtually any computer with a USB port. DataTraveler G2 is also a great promotional item for businesses; your company logo can appear on it to increase your brand recognition, and it comes in multiple colors based on capacity.

Backed by a five-year warranty and Kingston's legendary service and support, DataTraveler G2 is a reliable, inexpensive solution for carrying digital files with you wherever you go.
