Kingston Technology Company, Inc. (Kingston) warrants to the original end user customer of its products described below that its products are free from defects in material and workmanship. Subject to the conditions and limitations set forth below, Kingston will, at its option, either repair or replace any part of its products that prove defective to the extent of improper use, misuse or mishandling. Repaired parts or replacement products will be provided by Kingston on an exchange basis, and will be either new or refurbished to be functionally equivalent to new. If Kingston is unable to repair or replace the product, it will extend the contract value of the product to the full warranty claim amount.

This limited warranty does not cover any damage to this product that results from improper installation, accident, abuse, misuse, natural disaster, insufficient or excessive electrical supply, abnormal mechanical or environmental conditions, or an unauthorized disassembly, repair, or modification. This limited warranty also does not apply to any production which the original identification information has been altered, obliterated or removed, has not been handled or packaged correctly, has been used as replacement or has been resold contrary to the US export regulations.

This limited warranty covers only repair, replacement or refund for defective Kingston products, as provided above. Kingston is not liable for and does not cover other warranties, and loss of data or any costs associated with determining the source of system problems or recovery, servicing or installing Kingston products. This warranty includes 3rd party software, embedded equipment or stored data. In the event of a claim, Kingston's sole obligation shall be replacement of the hardware.

Duration of Warranty
Lifetime Warranty ?
The following Kingston products are covered by this warranty for life:

Memory modules including ValueRAM, HyperX and Kingston system specific memory, Flash memory cards (e.g. Secure Digital, CompactFlash, MultiMediaCard, SmartMedia, ATA Flash), and Linear Flash, memory expansion boards, networking adapters, graphics, hubs and webcams without cooling fans (excluding the power supply, Flash expansion and microprocessor upgrade products).

Five Year Warranty:
The following Kingston products are covered by this warranty for a period of five years from the date of original retail purchase: PC Card Readers and USB Data Transfers.

Three Year Warranty:
The following Kingston products are covered by this warranty for a period of three years from the date of original retail purchase: Compact PC Card Hard Drive products.

Two Year Warranty:
The following Kingston products are covered by this warranty for a period of two years from the date of original retail purchase: Solid State PC Card (MMC/SD) readers.

One Year Warranty:
The following Kingston products are covered by this warranty for a period of one year from the date of original retail purchase: Compact Accessory Kit, Transcend iCBMC Reader and iCBMC Media Player.

Discontinued products not listed in the warranty are no longer covered as their warranty has expired. This limited warranty applies only to the original end user customer of the product for as long as the original end user customer owns the product. This limited warranty is non-transferable.

Warranty Claim Procedures and Requirements
To obtain warranty service, you may return a defective product to the authorized Kingston dealer or distributor from which you purchased the Kingston product. Please confirm the terms of your dealer's or distributor's return policies prior to returning the product. If such policies do not include product distribution information, including model number and serial number (if applicable), with a detailed description of the problem you are experiencing, you must also include proof of the date of original purchase as evidence that the product is within the applicable warranty period.

In the United States: you may return the product directly to the Kingston factory after first obtaining a Return Material Authorization (RMA) number from Kingston. An RMA number is obtained by mailing Kingston a request or by calling Kingston Customer Service at +1 (714) 435-2633 or +1 (800) 323-3714. For available memory product returns, please contact Technical Support at +1 (800) 435-0640 for RMA service and support.

Once you have obtained an RMA number from Kingston, you must, within 30 days, send the product through prepaid and insured by Kingston Technology Company, Customer Service, 13584-A Newburg Street, Fountain Valley, CA 92708, USA. Products returned to the factory must be properly packaged to prevent damage in transit. You must include the Kingston RMA number prominently displayed on the outside of the package. Items sent postpaid to the factory without the RMA number prominently displayed on the outside of the package, will be returned to you unopened.

In Europe: if you are unable to return the product to the authorized Kingston dealer or distributor from which you purchased the product, you may return the product directly to the Kingston service center at Kingston Customer Service, 13584-A Newburg Street, Fountain Valley, CA 92708, USA. Before returning the product, you must obtain a Return Material Authorization (RMA) number from Kingston. An RMA number is obtained by contacting European Technical Support via [Kingston's website: Kingston.com/en/support](#). Conditions and freight requirements are as shown in US RMA returns as shown above.

In Asia: please click on the region which applies to you. In Taiwan, you can either return a defective product to our local logistic service center or complete an online application procedure. Click here to proceed. Click here to find a service center in China.

In all other Asia Pacific countries, please contact your local distributor or dealer to arrange an RMA. Within 3 days of RMA issuance from Kingston, the defective product must be properly packaged and shipped insured by FedEx only to Kingston Technology Far East Corp. (No. 15, Leong Hooi, Chuanpin Park, Hsinchu, Taiwan R.O.C.). Kingston will be responsible for any expenses incurred to obtain the freight and custom clearance fee. Click here to complete Kingston Technology Far East RMA Policy (click on links to authorized Kingston distributors and dealers).

The returned product will become the property of Kingston. Repaired replacement product will be shipped at Kingston's expense. Repaired or replacement product will continue to be covered by this limited warranty for the remainder of the original warranty or 90 days, whichever is longer.
