Mechanical Outline Drawing

Thermal Curves

Thermal Resistance	8.70
--------------------	------

Thermal resistance value is based on a 75°C rise in natural convection

Product Information

Part #	Description	Finish	Board Mounting
--------	-------------	--------	----------------

7020B-8223-CL03	Narrow channel style heat sink with folded back fins with alignment pad and clip	Black Anodize	View Hole Dimensions
-----------------	--	---------------	--------------------------------------

Not Exactly what you need?

We offer several options for those applications which require a more unique solution. For slight modifications of this part or other attachment options, finishes, and interface materials, contact your [local representative](#). Challenge us with your thermal requirements - we can design custom solutions.
