#### 1. System Product Order Codes

#### 1.1 Product Descriptions – Overview

Product based on the Intel® Server Board S5520UR will be offered in two methods at production:

1. **Intel® Server Systems (Integrated SKUs)**. Customer orders an integrated system. All systems – except SR1600URHS – do not have required options, and are complete.

All systems do not include processors, DDR3 main memory, hard drives, and other customer configuration items

- 2. **10 Pack Server Board SS5520UR**. Intended for customers utilizing 3<sup>rd</sup> party chassis or for customers requiring spare boards.
- \* Chassis will not be offered separately.

#### 1.2 Board and System Product Order Codes

<u>Not included in systems</u>: Processors, DDR3 main memory, hard drives, and other customer configuration items are not included in below SKUs.
